PROFILE

UK-based Software Engineer and MSc Data Science & AI student at Aston University, with 2+ years of professional experience in full-stack and cross-platform development. Skilled in Python, JavaScript, Flutter, React, and REST APIs, with growing expertise in machine learning. Quick learner, adaptable, and actively seeking software development internships, part-time, or graduate roles to contribute to real-world projects in the UK.

TECHNICAL SKILLS

Languages & Frameworks: Python, JavaScript, TypeScript, Dart, Flutter, React
Backend & Data: REST APIs, PostgreSQL, Supabase, Firebase
AI & Data (Developing): Pandas, NumPy, Scikit-learn
Tools & Practices: Git/GitHub, Clean Architecture, MVVM, Agile Development

EXPERIENCE

Junior Software Developer (Full-time) – ARK Power Solutions Pvt. Ltd., India | Aug 2022 – May 2024
- Developed and maintained cross-platform applications for Android, iOS, and Windows using Flutter.
- Built scalable features from a single codebase, cutting cross-platform delivery time by ~30%.
- Improved UI responsiveness and supported data migration activities.

React Developer (Freelance) – Aplypse | Jul 2024 – Nov 2024
- Developed an AI tools and news discovery platform using React.
- Integrated AI-based content automation, improving user engagement and experience.

Full-Stack React Developer (Freelance) – Paynosc | May 2025 – Aug 2025
- Built a lending and borrowing platform with community-based financial features using React.
- Integrated Supabase and PostgreSQL for secure transaction and data management.
- Implemented AI-driven admin and user controls, enhancing user experience and operational efficiency.

EDUCATION

Bachelor of Computer Applications (BCA)
Bangalore University, India | 2019 – 2022

MSc Data Science and Artificial Intelligence (AI)
Aston University, UK | 2026 – Present

AVAILABILITY

Actively seeking Software Development Internships, Part-Time or Graduate Roles in the United Kingdom. Currently on a Student Visa and eligible to work up to 20 hours per week during term time.
